PUBLIC HEARING NOTICE

A hearing has been scheduled by the U. S. Department of Agriculture to be held in the Patten Hotel, Chattanooga, Tennessee, May 26, 1959 to receive evidence with respect to a proposed amendment to the Chattanooga Milk Order.

The amendment proposed by the Chattanooga Area Milk Producers' Association changes the definition of a "pool plant" as shown in § 1000.7. The proposed definition for a pool plant would qualify the Association's surplus handling plant as a pool plant.

TEN FEDERAL MILK ORDERS COMPLETE TWO DECADES OF SERVICE. Federal orders in ten markets have now completed 20 years or more of continuous service to milk producers and the public. This senior group includes several orders which have changed names and grown over the period, but in each case a Federal milk order has been continuously in effect in some part of the markets since the first date shown. The first name by which the market order was known appears in parenthesis.
